## Entering Scores

The Huron Perth Fastball League uses the TheOneDB ([www.theonedb.com](http://www.theonedb.com)) to set up the schedule and keep track of the standings for the league.

**NOTE: If your organization is part of the MBSportsWeb, you can enter the scores right on your teams site. Contact your association’s web person to be set up with access to enter scores.**

For all teams that do not have an MBSportsWeb site, you will need to enter in your scores in [www.theonedb.com](http://www.theonedb.com).

## Entering Scores on TheOneDB:

To login to TheOneDB, use your email address. If you have never done this before, you probably need to be set up. Please send an email to [rob@totalcs.ca](mailto:rob@totalcs.ca) to be added.
